As I mentioned to you [redacted] in the receiving line, I have just received your very nice note and do want to thank you for it and the most warm and generous sentiments you conveyed. They mean a lot to me and I hope I can live up to them as I move on into this new position.

Pat and I enjoyed and appreciated the opportunity to know you [redacted] in Naples and to see all that you were doing for the benefit of our [redacted] relationship. Hope we will cross paths again. In the meantime, again thanks and all the best.
